

Report of
Suez WWTP
Project

((Task Description))

*Dismantle of 2259 copper pieces from
28 BLOKSET cells & 8 RONEX cells,
& transfer them to our company,
for treatment & paint with tin,
before re-install them on-site again.*

*This process has been
done for the first time*

*Sign Electric Co. has
provided more than team
to finish all works ASAP*
